Weekly Feature: Praying for our sister churches

Pray for our congregations...

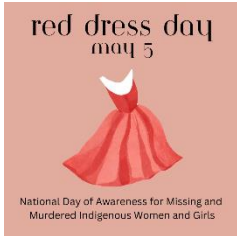

Grace Mennonite Church is a small congregation in Brandon that has been worshipping together for over 65 years. Being without a pastor for the past year has given them the opportunity to reflect on their direction and look at the gifts that they have within the congregation. They value storytelling and sharing personal experiences. Building community is a priority for them. They are a congregation where everyone is welcome. Pray for Grace as they navigate the realities of an aging congregation and discern the ongoing leadership needs of the church.
