Mennonite Church Manitoba (MCM)

Praying for our congregations:

Pray for **Glenlea Mennonite Church**, a small church in the middle of the bald Manitoba prairie. Almost every person/family in our congregation passes by a number of other churches on a **Sunday** morning before arriving at Glenlea, and yet they return faithfully each week to learn and seek God's guidance together. Pray for us as we imagine growing community with others in our sparse nook on the prairie, and as we work at discerning how to best serve and involve the young people in our church.

Activ8. Special gap year opportunity for young adults

Activ8 is an 8-month transformative program of self-discovery within an intentional (peer) learning community designed to enrich your faith, foster generative community, and inspire a passion for engaged service. **September 2025 - April 2026**
